

# ABC COUNTDOWN

Dear Parents,

Believe it or not, the school year is coming to an end. Everyone has worked very hard during the last 9 months and we feel we deserve to celebrate! During the last 26 days of school, our class will be participating in an ABC countdown. Each school day will have a different activity depending on the letter of the day. Your child may need to bring or wear certain things on various days (those days are underlined). This sheet will help your child remember what day in the countdown we are on. We hope your child enjoys his/her last days this school year!
